**What is it?** The peak season incentive program is a nationwide program for all SIMOS and Staff Management | SMX sites, where associates can earn raffle ticket entries for completing criteria outlined in this FAQ.

**When is it?** The program will run for 12 weeks, beginning September 27<sup>th</sup> and ending December 20<sup>th</sup>.

**Who can enter?** Any currently employed associate for Staff Management | SMX or SIMOS (must be an active associate at time of winning).

#### How does it work?

- Every week, associates can earn raffle entries into a weekly drawing for prizes based on the outlined criteria for that week. Associates can have multiple entries in the weekly raffle.
- At the end of every week, a winner will be drawn and will receive the prize listed for that week. Each week the raffle resets, so each week is a new chance to win and gain entries!
- During the last week, all 12 winners from the prior week will be entered into a Grand Prize drawing.

#### What will earn raffle entries?

1. Perfect attendance for the week starting Monday-Sunday
2. Referral submissions - earn a raffle entry for each new referral provided. Once a name is submitted for referral it cannot be re-submitted for raffle entries in the weeks following
3. Stafftrack™ mobile app usage – associate will get 1 raffle entry every week if they login/open the app

All entries will be automatically submitted on your behalf once you complete one of the above tasks, so no further action needs to be taken.

**How will winners be announced?** Each winner will be announced on the program landing page, [meetstafftrack.com/incentive](https://meetstafftrack.com/incentive). The team lead at the site where there is a winner will also announce the winner's name at their location. Additionally, with the winner's permission, a photo of the winner and the onsite management team will be taken and shared on social media channels.
